

One of Faim Museau's firsts, this recipe is a favourite among dogs. Our secret? The delicious combo of chicken and cranberries, a fruit known to prevent urinary problems and plaque in dogs.

Rich in iron, zinc, phosphorus, and B-complex vitamins, chicken is chock-full of proteins that benefit your furry companion's bones and teeth. Whether you're introducing your pup to raw food or helping them maintain a healthy weight, this recipe is a definite win! Dog-reviewed!
