

This delicious, rich in protein recipe is made from 100% Canadian chicken and was designed specifically to introduce our canine pals to raw food. Rich in iron, zinc, phosphorus, and B-complex vitamins, chicken is the ultimate source of protein and improves your sidekick's dental and bone health. Plus, it contains niacin, a.k.a. outstanding anticancer properties.

Easy to digest, chicken provides all the protein your dog needs while keeping their calorie count to a minimum, making it the ideal daily meal.

Single protein

Human-grade ingredients

Probiotics

Hormone and antibiotic free
