

This double meat recipe is the ultimate feast for your carnivorous feline companion! With its two sources of high-quality protein, duck, and 100% Canadian beef, your cat will receive all the nutrients needed to reach its optimal health.

Richer in protein than white meat, beef contains all the amino acids necessary for a cat's well-being. Additionally, beef provides carnosine, an amino acid that helps reduce inflammation and reinforces the immune system.

Duck is a hypoallergenic protein that contains a well-balanced level of amino acids.

Helps maintain a healthy weight

Human-grade ingredients

Probiotics

Hormone and antibiotic free

INGREDIENTS

Duck, Beef, Finely ground duck bone, Cranberry, Yeast from *Saccharomyce cerevisiae* culture, Beef heart, Beef liver, Apple cider vinegar, Flaxseed, Cod liver oil, Sunflower oil, Red beet, Organic kelp, Sea salt, Choline chloride, Probiotics (*Bacilli* and *Lactobacilli* sp.), Vitamin E supplement, Taurine, Zinc proteinate, Iron proteinate, Copper proteinate, Manganese proteinate, Vitamin B12 supplement, Thiamine, Biotin, Vitamin A supplement, Riboflavin, Folic acid.
