

Boost your companion's vitality with our tasty recipe made with 100% Canadian beef—ideal for supporting puppy growth and fueling active dogs.

Rich in iron, zinc, B vitamins, and essential amino acids, beef provides a natural source of energy, strengthens the immune system, and promotes strong, healthy muscles.

Complete, balanced, and perfectly portioned meals—ready to serve with no additional preparation needed. Designed to meet the nutritional needs of all life stages.

*Also available in individual portions
The 24 lb. size is pre-portioned into 1 lb. blocks.*

This formula for puppies or adult dogs is formulated to meet the nutritional requirements established by the AAFCO (Association of American Feed Control Officials) for the growth and maintenance of adult dogs.
