

Give your dog optimal health with our Karnivør recipes. Our delicious recipe is made with 100% Canadian chicken.

Rich in iron, zinc, phosphorus, and B vitamins, chicken provides complete proteins that support dental and bone health. Easy to digest and low in calories, it's the perfect option for maintaining a healthy weight.

Complete, balanced, and perfectly portioned meals –ready to serve with no additional preparation needed. Designed to meet the nutritional needs of all life stages.

*Also available in individual portions
The 24 lb format is pre-portioned into 1 lb blocks.*

This formula for puppies or adult dogs is formulated to meet the nutritional requirements established by the AAFCO (Association of American Feed Control Officials) for the growth and maintenance of adult dogs.

Probiotics for gut health

Balanced nutrition

100% human grade ingredient

Local ingredients
